

Streator Family YMCA
Stingray Swim Team Payment Plan Options

The following options are now available to decrease the financial burden of payment for the swim team. This form is due by September 30th, 2017. According to the Y-USA technical standards that govern competitive swim teams, all swim team participants must have an annual YMCA membership. Please select the payment option below that you will use for the swim team season.

_____ Option #1

Single Swimmer/New Member

- Monthly bank draft of \$12 for a youth membership (must sign paperwork and commit to 12 month membership).
- Monthly debits for swim team dues. There will be 6 additional debits made on your account, each on the 30th of the month (September, October, November, December, January, & February). The fee will be \$35 a month. Total programming payment would be \$210. You will be required to have a current bank account or credit card on file for this to occur.

_____ Option #2

Single Swimmer/Current Member

- If your family already has an annual membership, setting one up for the year, or a current bank draft membership, this will already be taken care of and no further action will take place.
- Monthly debits for swim team dues. There will be 6 additional debits made on your account, each on the 30th of the month (September, October, November, December, January, & February). The fee will be \$35 a month. Total programming payment would be \$210. You will be required to have a current bank account or credit card on file for this to occur.

_____ Option #3

Two Swimmers/New Members

- Monthly bank draft of \$24 for 2 youth memberships (must sign paperwork and commit to 12 months).
- Monthly debits for swim team dues. There will be 6 additional debits made on your account, each on the 30th of the month (September, October, November, December, January, & February). The fee will be \$60 a month. Total programming payment would be \$360. You will be required to have a current bank account or credit card on file for this to occur.

_____ Option #4

Two Swimmers/Current Member

- If your family already has an annual membership, setting one up for the year, or a current bank draft membership, this will already be taken care of and no further action will take place.
- Monthly debits for swim team dues. There will be 6 additional debits made on your account, each on the 30th of the month (September, October, November, December, January, & February). The fee will be \$60 a month. Total programming payment would be \$360. You will be required to have a current bank account or credit card on file for this to occur.

_____ Option #5

Three Swimmers/New Members

- Monthly bank draft of \$36 for 3 youth members (must sign paperwork and commit to 12 months).
- Monthly debits for swim team dues. There will be 6 additional debits made on your account, each on the 30th of the month (September, October, November, December, January, & February). The fee will be \$85 a month. Total programming payment would be \$510. You will be required to have a current bank account or credit card on file for this to occur.

_____ Option #6

Three Swimmers/Current Member

- If your family already has an annual membership, setting one up for the year, or a current bank draft membership, this will already be taken care of and no further action will take place.
- Monthly debits for swim team dues. There will be 6 additional debits made on your account, each on the 30th of the month (September, October, November, December, January, & February). The fee will be \$85 a month. Total programming payment would be \$510. You will be required to have a current bank account or credit card on file for this to occur.

Option #7

Pay in Full (Payment is paid no later than October 15th)

- A youth membership is required for each swimmer and must be paid up front. The annual fee is \$115. You can also choose a bank draft option at a cost of \$12 a month (per child and you must commit to 1 year). If you currently have a family bank draft membership, or have paid in full, the membership requirement is fulfilled.
- Program fees for the first child are \$200, which includes the coaches fee and meet fees. If you have two children, the total fee would be \$350. If you have three children, the fee would be \$500.

High School Option

- A youth membership is required for each swimmer and must be paid up front. The annual fee is \$115. You can also choose a bank draft option at a cost of \$12 a month (per child and you must commit to 1 year). If you currently have a family bank draft membership, or have paid in full, the membership requirement is fulfilled.
- High school program fees will be \$80 for the season. This must be paid in full by October 15th.

Reduced fee memberships are available for those who demonstrate financial need. Please call the YMCA at (815) 672-2148 or email the Executive Director at j.biros@streatorymca.org to inquire.

City: _____ Zip: _____

Programming Payment Options (select one):

The below options are for the programming fees only. All membership payments must be paid in full, or via bank draft as stated above. If you currently have a bank draft membership, select the bank draft option and we will use your existing bank information to debit the appropriate program fees as chosen above.

_____ *Credit Card (Information will be kept in a secure location and be destroyed once all payments are paid)*

Name on Card: _____ Card Type: _____

Card Number: _____ Expiration Date: _____

_____ *Bank Draft (Please complete the bank draft paperwork supplied at the front desk)*

By signing below, I am stating that the above information is correct and current. I am also stating that all payments will be made as stated by the option chosen above. I also understand that all NSF or returned/expired credit card payments will be assessed a \$25 fee. Finally, I understand that there will be no refunds or credits added to my account if my child decides not to finish the swim season.

Parent/Guardian Name (Please print): _____

Parent/Guardian Signature: _____ Date: _____

Staff Approval: _____ Date: _____

*Please return this form to the front desk no later than September 31st, 2016.

*All swim team suits and other gear will be handled separately by the coaches
